

The goal of the Galloway Ministry Placement Team is to connect the right person with the right ministry at the right time. We believe God has called and gifted each of us uniquely for ministry.

The M.P.T. does this by helping individuals define their “Servant Profile” which is a combination of passion, spiritual gifts and personal style, along with interest and experience. PLEASE help the M.P.T. by noting below your present and/or potential interests along with your current experience skills.

**PLEASE go through each area carefully marking the boxes where you have involvement, interest, or experience. You are not making a commitment to serve in any area but we would like this information to complete your “Servant Profile” and for future needs.**

---

Please check any and all areas where you currently are involved or might become involved
